ART HONOURS  
· MMXXIV ·

The **Persona Art Honours** is a prestigious new art accolade curated by Contemporary Art Station. This exclusive award is dedicated to celebrating and recognizing the unique vision, style, and personal signature of 50 hand-picked contemporary artists. These artists are selected for their ability to convey profound messages and narratives through a distinct and innovative visual language that they have individually crafted.

Award Manifesto

Contemporary Art Station firmly believes that the style, the unique language chosen by the artist, and their distinct signature within the art world are the most crucial and influential elements in the contemporary art market. The history of art is replete with examples of master artists who achieved greatness not merely through the messages they conveyed, but through the innovative and groundbreaking ways in which they communicated these messages across different periods.
